# CHIC MAGNET PRODUCT LISTING

	<b>1" Magnets *</b>	<b>05770001</b>	<b>\$2.25</b>
Individual 1" rare earth magnets can be positioned on Steel Strips, whiteboards, racking, benches, machinery, etc. and are strong enough to hang small hand tools. Check the website to see all of the available sizes.			
	<b>CHIC Magnets</b>	<b>05000010</b>	<b>\$16.95</b>
The Chic Magnet is seven of the 1" magnets, separated by steel balls. It comes in it's own display can, making it an interesting gift or promotional magnet. It is also designed to provide the seven magnets required to load up a Steel Strip.			
	<b>Power Cups *</b>	<b>05000020</b>	<b>\$3.95</b>
Precision machined steel cup with 1" magnet inserted. It protects the magnet and increases holding power by up to 4 times, by redirecting the magnetic field. The countersunk center hole allows cups to be attached to almost anything.			
	<b>Double Sided Cups</b>	<b>05000021</b>	<b>\$6.50</b>
Steel cup with a 1" magnet inserted on each side. Provides strong magnetic field on both sides, making it as strong as a regular Power Cup, but portable. It does not have to be screwed to a surface.			
	<b>T Handles</b>	<b>05000030</b>	<b>\$6.50</b>
Brushed stainless steel handle attached to a Power Cup. Makes the ultimate fridge magnet. Able to lift up to 30 Lbs. Will hold up to 20 sheets of paper onto fridges, whiteboards, filing cabinets, machinery, service vans, etc.			
	<b>Hooks</b>	<b>05000025</b>	<b>\$6.50</b>
Sturdy hook attached to a Power Cup. Unlimited uses. Great for hanging clipboards, trouble lights, packaged products, tools, power cords, hard hats, coats, flashlights, or anything with a strap or hole.			
	<b>Key Rings</b>	<b>05000031</b>	<b>\$6.50</b>
Removable key ring and eyebolt attached to a Power Cup. Can be used to keep a magnet attached to the object being hung. Great for locks, keys, flashlights, lockout devices, manuals, towel holders, etc.			
	<b>Bulldog Clips</b>	<b>05000032</b>	<b>\$6.50</b>
Heavy duty bulldog clip attached to a Power Cup. Will firmly hold 3/4" thickness of pick slips, work orders, assorted paperwork, etc. Great for forklifts, racking machinery, work stations, fridges, white boards, etc.			
	<b>Steel Strips</b>	<b>05000015</b>	<b>\$4.50</b>
22" x 1 1/4" pre-drilled orange steel strips. Used to position magnets, and hang tools. The strips can be used individually, or combined to form grids. Each strip has enough room for 7 or more magnets. Easy to mount on any surface.			
	<b>Portable Tool Bars</b>	<b>05000040</b>	<b>\$35.00</b>
The portable tool bars are 22" long with two handles and eight power cups attached. Designed to move from one project to the next. Three cups on the back hold the bar in place, while five in front are used to hold tools.			
	<b>Steel Panels</b>	<b>05000018</b>	<b>\$29.95</b>
2' x 3' White steel panel. (actual size 22 7/8" x 31 3/8") Painted "whiteboard" provides a solid base for magnets, and a surface for writing on with dry erase markers. Holes on the back side of the panel allow for easy mounting.
